

# WHAT EDUCATORS DO NOT AND WILL NOT TELL YOU ABOUT GENDER

Straight Talk Webinar for Young People - Lecture # 1 & 2

**Speaker: Dr. Miriam Grossman, MD**

**Dr. Grossman will talk about:**

## Lecture # 1

The truth about gender:

The history of gender ideology and how these ideas are discredited by science

## Lecture #2

The Truth about Gender:

Exploring how children are indoctrinated and parents undermined

Giving voice to the victims of gender ideology

**Dr. Grossman examines the social agenda that permeate her profession, and how they harm society. Her focus is on sex education and reproductive health. Her priority is to keep people out of the offices of doctors and therapists.**
