

# WHAT EDUCATORS DO NOT AND WILL NOT TELL YOU ABOUT SEX

**Straight Talk Webinar for Young People - Lecture #3**

**Speaker: Dr. Miriam Grossman, MD**

**Dr. Grossman will talk about:**

Biochemistry of trust and attachment

Biology of girl's bodies

Risks and consequences of early  
sexual activity

Vulnerability to and consequences of  
STD's

Risks associated with different types of  
sexual behavior

**Dr. Grossman's experience as a psychiatrist  
at UCLA lends a poignancy to her message  
that moves the minds and hearts of her  
audience to action. She is courageous,  
dynamic, funny and a straight-talker.**
